

CENTRAL INTELLIGENCE AGENCY

OL

Director, Office of Legislative Liaison

10 December 1984

NOTE TO: EX DIR

Jim:

- o Based on comments made to me by Richard Beal before his death and by Jim Lucas, I would say that [redacted] work in assisting in the building of the Crisis Management Center warrants a 6, regularly exceeding the standard.
- o Your draft statement looks OK - I'd leave it as is.
- o FYI: [redacted] Agency loyalties and concern for protection of Agency materials remain very high - leading him to considerable arm-wrestling within the NSC contractor world, where security is conspicuous by its absence.
